

# GLOBAL SOLUTIONS SUSTAINABILITY CHALLENGE

Interested in virtual exchange and connecting with students from another culture in the United States, Jordan or Iraq? Interested in sustainability, entrepreneurship, design thinking and using your skills to make a difference in your community?  
Want to gain real skills you can add to your CV or LinkedIn resume?

**Join your college's team  
and remix your community  
with sustainable business!**

**Program Dates:  
February 2022 – April 2022**

Students from selected schools in the US, Jordan and Iraq join together on a binational team and collaborate via virtual exchange to make a difference in their community while developing workforce readiness skills. Binational teams compete in this virtual business competition to design the most innovative sustainable solution to a challenge related to the UN's Sustainable Development Goals.

Top three finalist teams are awarded a small grant to further develop their concept.
